

REMARKS

This application has been reviewed in light of the Office Action dated March 15, 2007. Claims 1 and 12-16 are presented for examination, of which Claims 1 and 14 are in independent form. Favorable reconsideration is requested.

The specification has been amended to correct the informality noted in the Office Action.

Applicant thanks the Examiner for allowing Claims 1 and 12-16.

The disclosure was objected-to based on informality that, on page 15, lines 17-18 and 20, the phrase "band code area 1401" should be "band code area 1402." Applicant has reviewed and amended the specification as suggested in the Office Action.

In view of the foregoing amendments and remarks, Applicant respectfully requests favorable reconsideration and early passage to issue of the present application.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,
